

INVITATION

To be part of a research project

1

We want to ask young people between the ages of 15 and 24 what it is like to get help to make decisions when you don't have a lot of people in your life.

2

The person doing the research is Danielle Notara. She is a student who is learning how to be an expert in research.

3

Danielle would like to interview you about how you make decisions. You can do this by sitting and talking or drawing or taking photos or even going for a walk. You will get an \$80 gift voucher at the end of the research.

4

If you are interested in being part of this research, tell the person who gave you this invitation. They will ask Danielle to meet with you. Or you can call Danielle on 02 66203802 or email: danielle.notara@scu.edu.au
